

Vision International University

STATEMENT OF AFFILIATION

Zoe Interns is affiliated with Vision International University. Vision International University is authorized to grant degrees in California. As such, our curriculum, administrative services, transcribing, etc, is provided by VIU. Our college/institute has been evaluated and established by VIU to educate and train the local Christian community.

VIU has developed the finest courses and textbooks available for the effective training of men and women of God in the local community. Zoe Interns is in relationship with Vision International University, an institution of Higher Education, which offers Undergraduate and Graduate Degree programs. VIU offers Transfer of Credit from qualified schools such as Zoe Interns with up to 90 credits leading towards a Bachelor's degree. VIU has established Colleges such as ours throughout North America and over 150 additional nations.

For complete information on the various programs and services provided by VIU, see their latest catalog or visit them on the web at www.vision.edu
